## Independent Auditor's Report

### To the Board of Directors of HDFC Credila Financial Services Limited

#### Report on the Audit of the Annual Financial Results

#### Opinion

We have audited the annual financial results of HDFC Credila Financial Services Limited (*formerly known as HDFC Credila Financial Services Private Limited*) ("the Company") for the year ended 31 March 2021, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 52 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial results:

- (i) are presented in accordance with the requirements of Regulation 52 of Listing Regulations in this regard; and
- (ii) give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards, and other accounting principles generally accepted in India, of the net profit and other comprehensive income, and other financial information for the year ended 31 March 2021.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Annual Financial Results* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the annual financial results.

#### Emphasis of matter

As described in Note 10 to the financial results, the extent to which the COVID-19 pandemic will impact the Company's financial performance is dependent on future developments, which are highly uncertain.

Our opinion is not modified in respect of the above matter.

## **Independent Auditor's Report (Continued)**

### **HDFC Credila Financial Services Limited**

#### **Management's and Board of Directors' Responsibilities for the Annual Financial Results**

These annual financial results have been prepared on the basis of the annual financial statements. The Company's Management and Board of Directors are responsible for the preparation of these annual financial results that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in the Companies (Indian Accounting Standards) Rules, 2015 as per Section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 52 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the annual financial results, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Annual Financial Results**

Our objectives are to obtain reasonable assurance about whether the annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

## **Independent Auditor's Report (Continued)**

### **HDFC Credila Financial Services Limited**

#### **Auditor's Responsibilities for the Audit of the Annual Financial Results (Continued)**

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the financial results made by the Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the annual financial results, including the disclosures, and whether the annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### **Other Matters**

The annual financial results include the results for the half year ended 31 March 2021 and those of corresponding half year ended 31 March 2020 being the balancing figure between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the second quarter of the relevant financial year which were subject to limited review by us.

Though there were early signs of recovery during the last two quarters the same may slow down given the second wave of the infections in India and certain geographies, uncertainties around the efficacy of the vaccinations on the newer strains, long-drawn immunization roll out plans and hence the return to normalcy.

The impact of COVID-19 including changes in customer behaviour, travel restrictions both domestic & international and constrained businesses activities has led to volatility and decrease in economic activities. This has impacted the loan disbursements as a significant number of students have deferred their semesters to the Fall and Spring intake of 2021.

The final impact of the global health pandemic continues to be uncertain and the actual impact on these financial results may be different than that estimated based on the conditions prevailing as at the date of approval of these financial results. As required by the RBI notification, the methodology for calculation of such interest on interest has recently been circulated by the Indian Banks' Association.

The Company's Board has reviewed and approved the policy in this regard. As the Company has not charged 'interest on interest' to its customers during the moratorium period including those who did not avail the moratorium benefit there is no amount required to be refunded.

The Company will complete its evaluation and will give appropriate impact, if any, in the financial result following the Code becoming effective and the related rules being framed and notified.
